Phone Script for Legislators – SB 3162 (Military Retiree Property Tax Exemption)

Hello, my name is _____. I live in District ____ and I'm calling to ask Senator/Representative _____ to support SB 3162.

SB 3162 would provide a property tax exemption for honorably discharged, retired military veterans regardless of age. Many military retirees in Mississippi are under 65, and this bill would offer meaningful relief to those who have served our country.

This is an important issue for veterans and their families in our district, and I strongly encourage the Senator/Representative to vote YES on SB 3162.

Thank you for your time.

I ask each of you to contact your Mississippi Legislators and ask them to support SB3162. This bill provides a property tax exemption for retired military honorably discharged veterans regardless of age. I have already sent an email to the office of Lydia Chassaniol and Kevin Horan on behalf of the Military Retiree and invited them to visit and speak to us. There are MANY military retirees under the age of 65 this would really help if it passes. Please take time to look this up, read about it, and call or email those from your District.

Thank you all, BJ
