Dreams for Veterans serves our nation's heroes by giving back to terminally ill veterans and their families through the fulfillment of a final wish. Final wishes range from basic need items (like a working appliance or mobility scooter) to bedside reunions, final vacations with family, "meet and greets" with personal heroes or reconnecting with aspects of former military service. A dream not only serves the recipient, but also brings comfort and peace to caregivers, loved ones, hospice professionals, veterans affairs and service officers, and all those they serve in communities across the nation.

We serve veterans in all 50 states and partner with America's hospice professionals, veterans affairs and service administrators to meet the unique needs of our nation's veterans.

YOU SERVED OUR COUNTRY SO THAT WE COULD DREAM.NOW IT'S YOUR TURN TO DREAM.

Dreams for Veterans is a program of Dream Foundation, which has served 20,000 final dreams since 1994.
