VA Writing to Wellness: Writing to Wellness is a 9-Week closed session creative writing group that is meant to be used as a wellness tool. For Veterans in recovery, they can find it difficult to share their story because of the stigmas associated with mental illness. Creating writing and journaling offer an alternate means of artistic expression that can assist with inner-self exploration without having to verbalize those thoughts and feelings. The Veteran is in control of their voice, with the end-goal of moving past their filter of non-verbal expression and branching out allowing them to become more appropriately expressive with their loved ones. If interested, please contact VA Certified Peer Support Specialist Toni Washington @ 702-715-2795.

Fraud Workshop & Free Screening of the Movie 'Thelma': Join AARP Nevada for a special fraud prevention workshop and following the workshop, enjoy a private screening of the movie 'Thelma', Inspired by a real-life experience of director Josh Margolin's own grandmother, THELMA puts a clever spin on movies like MISSION: IMPOSSIBLE, shining the spotlight on an elderly grandmother as an unlikely action hero. With infectious humor, Margolin employs the familiar tropes of the action genre in hilarious, age-appropriate ways to tackle aging with agency. In the first leading film role of her 70-year career, Squibb portrays the strong-willed Thelma with grit and determination, demonstrating that she is more than capable of taking care of business – despite what her daughter Gail (Parker Posey), son-in-law Alan (Clark Gregg), or grandson Danny might believe.
