

OUT ON A LIMB

July 2026

Peer Group

As someone very special always said: COME TO GROUP! Peer group is offered every Wednesday at 1100 in room IC150 all month!

Guest Speaker:

Laura is coming July 8 to talk about Alpha Stim.

Alpha-Stim is an FDA-cleared, prescription-only medical device that uses Cranial Electrotherapy Stimulation (CES) to treat anxiety, insomnia, depression, and pain. By sending a gentle, low-level electrical current through clips attached to your earlobes, it stimulates brainwave activity to promote relaxation and balance neurotransmitters, often offering drug-free relief

TSA PreCheck

Mr. Klein shared this great resource. TSA Precheck is a program that allows low-risk travelers to enjoy a secure and efficient security screening experience in dedicated TSA PreCheck lanes. This is being offered free to qualifying disabled Veterans, uniformed service members and military survivor families. More can be found through the following link:

<https://www.tsa.gov/precheck/military>

Clothing Allowance

The deadline (August 1st) is approaching for Clothing Allowance applications.

If your clothing has been damaged by your prosthetic or orthopedic device (such as a wheelchair) or by the medicine you're taking for a skin condition, you may be able to get money each year to help you buy new clothes.

You may be eligible for a clothing allowance if you meet the requirements listed here.

One of these must be true:

- Your prosthetic or orthopedic device damages your clothes, or
- Your skin medicine causes damage to your outer clothing (like your pants or shirt) that can't be repaired

And this must be true:

You need this device or skin medicine because of an injury or illness related to your military service (called a service-connected condition).

To get an annual payment, or if you want to apply for an additional clothing allowance, you'll need to qualify by August 1 of that year. Prosthetics collects applications throughout the year and holds them until the August 1 closing date. If you qualify, you'll receive your payment between September 1 and October 31.

You'll need to submit an Application for Annual Clothing Allowance (VA Form 10-8678) in person to prosthetics, by mail or fax. More information is found on the website.

Bodhi

Bodhi came to visit us at the VA and his red rollator sure looks familiar! Click for video.

Job: Animal Assisted Therapy Dog

Website: www.petpartnersoflasvegas.org

I might have been born with tiny front legs, but luckily they were paired with an unbreakable spirit. My story began as a Facebook post, looking for a home that understood my vibe. A dedicated rescue stepped in and did the ultimate matchmaking, placing me with the family I was always meant to find. Now, I don't let anything slow me down, I just find a more creative way to get moving! Whether I'm hopping across the grass, zooming in my wheels, leaping for a Frisbee, or paddling in the pool, I live life with total exuberance! Enthusiasm is my superpower, and I can't wait to meet everyone in the community and spread the joy. I've learned that you don't need four legs to chase your dreams—you just need a lot of heart and a drive to keep on rolling.
