DAV/DAVA August 2016 NEWSLETTER

TOGETHER AS ONE

DAV Commander's Corner:

As I write this article from the DAV National Convention in Atlanta, Georgia, I would like to recap some of the highlights that I have experienced. We were honored to have Secretary of Veterans Affairs Robert McDonald speak to the body and Service and Legislative Seminar along with Senator Jonny Isakson, Chairman, Committee on Veterans Affairs. I can tell you first-hand, the Secretary and Senator Isakson care about Veterans and were gracious enough to answer questions asked by the DAV National Legislative personnel. On August 1st, the President of the United States, Barack Obama, made his final visit to the DAV as President. Putting all political feelings aside, it is always an honor to have the President attend. He thanked the DAV for what we do and the sacrifices each one of us has made to this great Nation. This being my first DAV National Convention, it truly humbles me to hear all the great things that other Departments do to keep this organization strong. I would encourage you, if possible, to attend a National Convention. The speakers, business sessions and seminars are top notch and very informative. It has to make you proud to belong to the DAV. I would like to thank Wanda and Brigitte for being my guides through the National Convention. You both are truly well liked and respected at the National level. As we return home, it is up to all of us to make things better. I would encourage all to find something in the DAV that makes you happy and go for it. It's the little things we do each day that make the difference and I am so proud to know that we have so many members that make the difference.

Thank you for your dedication to the DAV.

Department News:

Treasurer/Fund-raising:

Current Account Balances (as of 10 August)

HSC Operations (payroll and taxes): \$51620.38

General: \$92,969.01

Van Fund: \$10,048.89

National Campaign: \$2,756.79

FEMA: \$65,725.47

We are still very short of the funds needed to buy the next round of vans. Please consider doing some fund-raising specifically for the Van fund. When you start planning your event, let Brigitte know as she may be able to get a van parked for display at your event so people can see what they are supporting. You may also have some local van riders who would be willing to come out and tell their stories to potential donors so the community can see how important this service is.

Remember, all fund-raising must be coordinated thru the Department IN ADVANCE.

******ANNUAL FINANCIAL REPORTS ARE REQUIRED TO BE COMPLETED AND
RECEIVED NO LATER THAN SEPTEMBER 30TH. ******

Every Chapter Commander and Adjutant should have received a blank Financial Report Form from National Headquarters. I will request a supply of forms be sent to me in case you need one. Instructions for filing your report are attached to this newsletter.

And since you are doing your annual financial reports, why not get your annual IRS 990n done now, as well? This is the on-line form required by IRS to be filed nlt November 30th each year. Do it now so you don't forget!

If you need assistance, contact the Department Treasurer.

LVAP Program: This is an important program at the National level. The hours we report to National are used to support DAV in fund-raising, as well as to document the great work of our members. This info helps when we go

to Congress as it shows that we do more than just ask for money to help the VA. It also helps local and national fund-raising efforts to show how much and in how many ways, we support Veterans in our local communities. Report hours for volunteer work you do to assist any Veteran:

- CSO/DSO work
- Fundraising events
- Outreach Programs (MSO, Standdowns, information booths, etc.)
- Direct Veteran assistance (Mow lawns, grocery shopping, serving food at a veteran event, etc.)
- Legislative grassroots work
- Chaplain visits and support

I am working to develop an APP for you to report your hours “as they happen” right from your smart phone. I was hoping to have it done, but hit a little snag. By this time next month, I hope to have something tested, up and running. In the meantime, you can send your LVAP hours via e-mail to: OregonLVAP@gmail.com. Be sure to include the following in each report:

- Your First and Last name
- Your DOB
- The Type of hours you are reporting (CSO/DSO, Fundraising, Outreach or Veteran Assistance)
- The number of hours for each type (if more than one)

If you send an e-mail for each day you earn LVAP hours, please also include the date you worked these hours. If you include hours for more than 1 day, please list all the dates covered by your report.

You can also report once each month, on the 1st of the month, all hours for the previous month by completing the attached LVAP forms and e-mailing to the OregonLVAP@gmail.com. Be sure to give (or e-mail) a copy to your Chapter LVAP coordinator and make sure they know you have already submitted them to OregonLVAP@gmail.com (so we don't double-report).

I will record hours in the National database on the 3rd of each month for the prior month. The system does not allow for edits after the report is submitted, so be sure to get your hours reported to me before that date.

Remember, before reporting your hours, you must be registered in the LVAP system. Complete the registration form only ONCE. You do not have to use your Last-4, but until National gets DAV-360 fully functional, it will help me if you do. If you don't list your last 4, and because we have some folks with the same name, you need to include your Date of Birth (DOB) so that I can tell folks apart who have the same name. With DAV-360, you will be required to provide a unique e-mail address (replaces last-4). If you don't have one, get your Chapter to set up a unique e-mail for you. We have asked to get this requirement changed because so many of our members do not have e-mail. But until that time, we will have to find a work-around.

If any Chapter needs help with this, let me know by writing OregonLVAP@gmail.com or calling me at 503-695-6459.

One thing we really need: Volunteers in the Portland DAV Transportation Office. Volunteering for a few hours a week would be tremendously rewarding as you have a direct impact of the quality of life for those you help. It also benefits the office tremendously by allowing the HSC's to focus their efforts on answering Veteran calls and scheduling. While our biggest need is in Portland. We are in need of Volunteer Drivers throughout the state and office help in White City and Roseburg, as well.

UGVO Report:

UNITED VETERANS' GROUPS OF OREGON MINUTES JULY 9, 2016

Meeting called to Order by Chairman Wayne Harvey

Pledge of Allegiance

Roll Call of Organizations: 7 of 11 (Present were AFA, American Legion, KWVA, MOAA, MOPH (Late), TREA, VVA)

April 9 Minutes & Current Treasurer's Report – Approved

ODVA Director Cameron Smith up-dated us all on several areas. The Oregon Veterans' Home Loan program continues to do well. The two veterans' homes are doing well, with residential occupancy being around 140 at each one. All residences are now open at the Lebanon Home. The Federal VA monetary impact is about 1.3 billion dollars a year, but only about 1/3 of Oregon veterans are using VA benefits. Oklahoma, which has close to the same total veteran count, receives about 400 million dollars more annually than Oregon, as a larger percentage is using VA benefits. ODVA is in the process of preparing the Governor's budget, considering everything from a 10% reduction to a 150% increase. Director Smith opened a discussion of HB202 (the lottery bill), which led to discussions on who would allocate the lottery funds and how they would be allocated. Chairman Harvey questioned the Director as to how the Women's Veteran and LGBT Coordinators were doing, and how can their performance be evaluated without violating privacy issues. A short discussion followed.

Chairman Harvey initiated a discussion on the Argument in Support of HB 202 for insertion into the Voters Pamphlet. The cost of placing a letter in the Pamphlet has increased from \$500 to \$1,200, and the Argument can be no more than 325 words. Before discussing the contents of the Argument, the Chair requested that a decision be made as to whether or not we would approve the expenditure of \$1,200 in support of the legislation. Jack LaBox (American Legion) moved and Ron Morgan (VVA) seconded that we would spend up to \$1,200 in support of HB 202. The motion was passed unanimously. Discussion then centered around the draft letter that Chairman Harvey had prepared. It was determined that members would submit any comments or suggestions to him by the middle of the following week and he and Ron Morgan (VVA) would develop a final draft and send it to member organizations for final approval.

The Chair welcomed Joel Dulashanti, the new State Commander of MOPH-Oregon, who arrived late due to an MOPH conference call.

Chairman Harvey reported that Oregon DOJ had approved the corrections to the description of HB202 that will appear in the Voters Pamphlet. All organizations had received a copy of the letter that was sent to the Secretary of State.

New Business: Veterans Preference: Chairman Harvey received a letter from a lawyer citing the case he was on that concerned a veteran with the Multnomah County Sheriff's Dept. The veteran claims that "veteran's preference" was not applied when he was being considered for promotion. The County Court and BLI agreed with the veteran. Multnomah County wants to take it to the Oregon Supreme Court. The lawyer is seeking supporting documentation from veteran organizations. The Chair asked Ron Morgan (VVA) to look into it. According to ODVA Director Smith, the "Preference Statute" is not real specific, and in situations, such as this, leaves a lot of room for speculation.

Good of the Order: Ron Morgan (VVA) stated that he was going through ODVA in an attempt to get combat badges, ribbons & medals added to symbols that could be placed on veteran-type license plates. He provided a letter, with attachment, that depicted the awards he was talking about to all attendees. He requested that organizations provide him a letter supporting this initiative if they agree. Jack LaBox (American Legion) commented on their recent convention in Florence, and later stated that the Oregon Department was going to try to get their Women's Auxiliary involved in UVGO issues. Bob Cassidy (KWVA) commented on their recent function with local Koreans. Vickie Partridge (DAV Aux) commented on the veterans' breakfast they sponsored and introduced Nancy Pappas as being her representative for future meetings. Mary Mayer (AFA) announced that the AFA National Convention would be held 17 – 21 September in Wash., DC. John Stensland (MOAA) announced that the Vietnam Moving Wall will be in Eugene's Skinner Butte Park from 29 September through 2 October. It will be installed the morning of the 29th and dedication, to include an F-15 flyover will occur at noon. Joel Dulashanti (MOPH) MOPH is seeking donations to construct a fire pit at the Lebanon Veterans' Home. He stated that its estimated cost is \$11,000. Ron Morgan cited an incident that had occurred which shows that extreme caution must be taken if one discovers a lost or misplaced wallet or purse. Witnesses and photographs are essential. Cameron Smith (ODVA) announced that a Veterans' Expo would be held September 8, in Portland at the Veterans' Memorial Colosseum.

Next meeting is October 8, 2016.

Meeting adjourned at 2:15 PM

GARY L. ZWICKER
Secretary/Treasurer

CHAPTERS: Chapters can report any upcoming events or information concerning your chapter. If you would like it in the newsletter, it will need to be to Brigitte Marker by the 1st of each month.

Chapter 1- July and August Chapter #1 does not have General Membership Meetings (We do have Executive Board Meetings) but that doesn't mean we aren't busy. Chapter #1 is also hard at work on getting our new budget in order and finalized. There are always things to spend money on and the old chapter building needs some mandatory upgrades. All of DAV issues are important but we want to work on women's issues with the VA and bring in more Vets from the recent conflicts.

DAV Chapter #1 was instrumental in getting Highway #26 near Boring Oregon dedicated to brothers George and James Wright who were killed in the Vietnam War. As you head east you will see George's sign and west across the highway is James's sign. Hope everyone is enjoying their summer.

at Family Project Connect

In July, our chapter stayed busy with our fundraising events. The Combat Veterans Motorcycle Association Klamath Falls 29-3 did a poker rider and we received \$547 from the poker run. They are also raffling off a 2015 Harley Davidson Roadster motorcycle for \$20 per ticket and the drawing will be November 11, 2016. The proceeds of that will also be given to us. Our Department Service officer attended the Family Project Connect at the Klamath County Fairgrounds, made many new contacts and helped many veterans. Chapter 12 will be hosting a Veteran BBQ for all veterans and their Families on August 27, 2016 from 1000-1500 at our Facility in Klamath Falls. Our members contributed 468 LVAP Hours during the month of June. 70 of those hours were for CSO and 198 were for fundraising events, 58 hours were for outreaches and 142 were for direct assistance to veterans. Our chapter has 10 members that participate in LVAP.

Chapter 14-Chapter 14 did their annual Forget-Me-Not drive in Bend, Redmond, and La Pine on July 22nd and 23rd. For some of the members, this was their first time doing this event. While it was very hot during these two days, we still stuck to the mission at hand – to raise funds to assist the veterans of Central Oregon. The Chapter did well and are looking forward to adding to the Van Fund for the Department.

We continue to assist the disabled veterans in the Central Oregon regions with the various volunteering of personal time to these same veterans. As we look into the future, we are searching out those in need of our assistance with small projects and little ways to help veterans where they live.

Obituary

Linda Stake, DAVA National Commander 2015-2016

It is with great sadness and regret that I advise you that DAV Auxiliary National Commander Linda Stake passed away Tuesday, July 26, 2016.

Linda's work as a veterans advocate is longstanding. Even before her long and storied service through the Auxiliary, she fought tirelessly to ensure her husband, Charles, received the care and benefits he had earned. Linda became a life member of the Auxiliary in 1998 and was a charter member of Auxiliary Unit 57 in Heber Springs, Arkansas.

Linda was a steadfast and devoted advocate for our nation's veterans and their families. She was also a dear friend and mentor to so many of us. Her life is a testament to the powers of grace, selflessness and determination.

Linda is survived by her husband Charles, and her daughters Kim, Carol, and Penny; grandchildren Casey, Austin, and Macy; and great grandsons Jaden and Tyler. All are very active members of the DAV Auxiliary through their units or the DAV Auxiliary Juniors.

Visitation will be held from 6:00-8:00 pm on Friday, July 29, 2016 at:

DAV 5K's

During convention, we voted to establish a committee to research potential locations and make recommendations (see number 4 below). Committee members may contact local chapters for information or other support to complete the research.

For Oregon to be considered for addition to the 5k list:

1. We have to have the department support
2. 150 Volunteers, who will be trained
3. We are asked to get local donations (Water, Bagels, etc) we notify DAV National and they will provide letters for sponsors
4. We notify DAV National of some cities in Oregon where we could hold the event
 - a. We also tell them of events (5k, 10k, etc) surrounding Veterans Day, so we do not draw away from them.
5. There is no local funding required; all is done by DAV National

Oregon was not selected for a 2016 event. We have asked for feedback on how to improve our application and plan to re-apply for 2017.

Hope everyone is having a great and safe summer. We have Labor Day coming up and on September 15 - 18, 2016 in Lincoln City is their 13th Celebration of Honor. The Vietnam Traveling Wall will be on display, as well as the Field of 1000 Flags. On the 15th of Sept. Chinook Winds will be giving a free buffet to all veterans. Come one - come all. Hope to see you there.

I hope you enjoyed your summer! As I am getting ready for fall, it's time to remind everyone about file retention. Minutes and treasurer's reports must be kept forever! Auditors reports and financial statements must be kept for 7 years. Bank statements 3 years. Cancelled checks 8 years. General ledgers and journals - infinity. Other ledgers - 6 years. Travel expense reports - 6 years. General Correspondence - 2 years. Invoices - 3 years. These can be scanned and saved on a flash drive. You have to have 2 copies, one for the Commander and the other for the Adjutant. If you are scanning the minutes and treasurer's reports, be sure they are signed copies!

If you need anything or have any questions, please feel free to call, text, or email me.
