Dear Commander Johnson:

On behalf of DAV, I am thrilled to congratulate you and the members of Naomi Chapter #15 DAV for successfully reaching your 2024/2025 membership goal!

Your chapter's outstanding recruitment efforts are truly impressive, and we deeply appreciate your dedication to supporting our nation's ill and injured veterans and their families.

The tradition of battle streamers dates back to antiquity when various emblems were carried into combat. Later, the military adapted this practice to honor exceptional service and significant campaigns, recognizing the contributions of different branches and units.

Today, it is my honor to present the enclosed streamer in recognition of your chapter's hard work. We hope you will proudly display this streamer on your chapter's colors. Your efforts have helped preserve the strength and legacy of our organization and this streamer will serve as a lasting reminder of your achievements.

Sincerely,

Coleman Nee  
National Commander
