

Have you been volunteering?

Your Dept Volunteer Rep kindly requests that you submit your volunteer hours for this month's report no later than June 1, 2026. This ensures enough time to submit our final report by the National deadline on June 5, 2026. To keep the process simple, just send the number of hours along with a very brief explanation of your activities. Thank you for all you do!

Deanna Willoughby (Chap 06)

VAVS/LVAP Representative, Department of Washington
